NOTES:

- This map produced by Spatial Data Services (S.D.S.), 15th Floor, North Husky Tower. For additional copies, please contact the S.D.S. Order Desk at (403) 750-4949.
- Pipeline Data Source: **EDM** (Geomatics Data Management) is current as of September 11, 2005.
- Some Husky pipelines have been updated with information from field inspections and may not match EDM or Accu-Map records. In this case the line tags have been colored to indicate a discrepancy and are shown as "Status Pending". Other discrepancies on Husky operated pipelines should be reported to the Regulatory Group, Calgary Office. Fax number (403) 750-1869.
