RE: ADVANCE RULING
PNG AGREEMENT 5411070282
EXPIRY DATE: July 14, 2020
EXPIRY TYPE: INTERMEDIATE TERM
APPLICATION DATE: April 22, 2020

Alberta Energy has completed its review of your application and is prepared to offer continuation for this agreement as outlined below:

- M5 R21 T076: 2

pursuant to Section 15 in the Triassic System.

- Official confirmation of this decision will be sent after July 14, 2020. If a further application is submitted prior to expiry, ensure you refer back to all submitted data for this agreement in the Data tab in ETS if applicable.
- You have one month from the receipt date of this letter or by the agreement expiry date, whichever is greater, to respond. Please refer to the Offer Expiry Date in the Offer tab in ETS.
- If no response is received, the productive rights pursuant to Section 15 will continue. No further operations, including the licensing of new wells from the Alberta Energy Regulator (AER), may be performed after agreement expiry **until you receive final confirmation of this continuation** from Alberta Energy. If operations continue, AER may cancel your well licence which could result in enforcement action as per AER Compliance Assurance-Enforcement – Directive 019.
