

Helmet Jean Marie
F Pool

This nautical chart depicts the Helmet Jean Marie F Pool area, characterized by a grid of latitude and longitude lines. A large, irregularly shaped region is highlighted in orange, covering the central and right portions of the chart. The chart is densely populated with various navigational symbols, including stars, diamonds, and circles, many of which are accompanied by small text labels. A prominent feature on the right side of the chart is a cluster of lines representing a reef or a specific navigational hazard. The background shows light blue contour lines indicating depth or bathymetry. The overall layout is typical of a detailed nautical chart used for maritime navigation.
